Helios Europe, Shepherd Developments and Segro have selected three agents to lease its 5.75m sq ft Inland Port development in Doncaster.

CBRE, BNP Paribas Real Estate and Gent Visick have been chosen to market the £400m development at junction 3 of the M18.

The site, which was granted outline planning permission last year, will include building footprints in excess of 1m sq ft.

It will be accessed by a new road linking the port to Doncaster Sheffield International Airport, which has been granted £18 m from the government's Regional Growth Fund.

The agents expect the first buildings to be available for occupation in 2013.
